

Events - HBA's Schedule for 2011 (updated Jun 9th)

19 January 2011

Last Updated 15 June 2011

Â

It promises to be a great year for the HBA with a huge range of events in association with various communities along the waterways. Have a great 2011.

Â

The schedule is, of course, dependant on the vagaries of weather, tide and navigations and does not include any events before the Mar 17th weekend.
