One of the many advantages of contributing to the aims and being a member of the Heritage Boat Association is having the opportunity to participate in both the planned and informal gatherings that are held each year, throughout the inland waterways system. Since 2001 members of the HBA have met up everywhere it is possible to fit a bunch of heritage boats.

We look forward to our HBA 10 @ Banagher celebrations later this month. In the meantime, here is a brief look at the last ten years; photographs of our boats together on various occasions.
