â€œItâ€™s PAY up DAY!!â€•

Remember those strange creatures we met along the waterways two years ago? Yes, those River Rats! Every time you turned around, they were there - watching and waiting! We know they are, even now, tormenting you from your kitchen or office wall, reminding you that you should be back on the river. Well itâ€™s their â€œPay up Dayâ€• very soon!

A presentation of â€œthe chequeâ€• to the Irish Cancer Society will take place on:
Saturday 18th May 2013 at 5pm

By kind permission of Waterways Ireland, the presentation will take place in the Waterways Ireland Visitor Centre at the Grand Canal Dock, Dublin.
